Sir,

Subject:-Entertainment of private rubbish carts for
transporting rubbish

I have the honour to state that there are at present only 29 municipal rubbish carts for transporting rubbish in the several mohallas of the city. They are too inadequate for the work which has more than trebled owing to the expansion of the city and also increase of population. Persistent complaints were received from the public about the delay in the removal of rubbish. The Health officer brought to the notice of the Health committee the insufficiency in the number of carts and the immediate necessity for more carts. The Health committee recommended that 25 carts at Rs 40/- p m, may be hired immediately and the removal of the rubbish in the city looked after well.

-2-

The carts were engaged from 18-8-47 and are doing good work. The recommendations of the Health committee were approved by the Council in their resolution No 346/31-10 (Copy enclosed)

In the circumstances I request that sanction of Government may kindly be obtained to the entertainment of 25 rubbish carts at Rs 40/- each per month from 18-8-47 *to the end of the current year for the present year*. The expenditure will be met from General Savings under E 2-Conservancy and Sanitation

I have the honour to be,
